

Make an Investment Toward a Better Quality of Life for Our Sutton Area Community

The Leadership Committee of the East River Fifties Alliance requests your financial support to help our community win the impending battle to rezone the Sutton Area. Please make as generous a contribution as you can toward ERFA's campaign to rezone away from "billionaire megatowers." Your contribution helps to assure that developments in the East River 50s are designed to fit our community's character and quality of life, while still meeting New York City's need for growth.
